

Happy New Year! Although we only managed to squeeze a couple days of school in last week, there is always good stuff going on at Seaman. We look forward to seeing everyone tomorrow. We also look forward to welcoming author Phil Bildner on Tuesday. He will be giving writing workshops to our fifth grade students. Phil is a Seaman alum and his visits are as special to us as they are to him.

Please note that next Monday, January 15th, is Martin Luther King Day and school is closed.

Hope you enjoyed this unexpected time with your children. If you had difficulty logging into our digital library, please don't hesitate to contact Mrs. Salzberg, our librarian, at ssalzberg@jerichoschools.org, to obtain your child's username and password. There are great books to read, as well as databases and websites to explore.

Stay warm and cozy,

Ivy
