

Dear Seaman Families,

This past week, our fourth and fifth graders had the opportunity to hear author, Rosalind Wiseman, discuss how to be a good person and especially, how to be a good friend. Her strong message of spreading kindness, developing one's inner strength, and being an up-stander was an important one. Her student assembly followed a parent workshop the previous evening with parents and educators. If you did not have the opportunity to attend, please ask your fourth or fifth grader about their visit to the Middle School/High School. Dr. Gately, MS principal, and Mr. Weiner, MS assistant principal, joined our students and shared some of things that were going on at the MS to prevent bullying and spread kindness.

In addition, our kindergarteners and first graders spent some time with members of Jericho Fire Department learning about fire safety. October is Fire Prevention Month and the fire department always stops by to educate our youngest learners about the importance of fire prevention and what to do in a fire emergency.

Click the link below to view some of the Tweets that were shared this past week. Have a great Sunday!

Ivy
