

Dear Seaman Families,

Hope you enjoyed this beautiful weekend! This past week, our first graders went to Green Meadows Farm in Queens and had a wonderful time participating in authentic hands-on farm experiences. We also celebrated Diwali after school on Thursday. Those who attended, participated in Rangoli, a beautiful art form that uses colored sand or flower petals to create intricate designs. Thank you to Mrs. Singh, Mrs. Kaur, and Mrs. Bindra, for organizing the activity and sharing the afternoon with us. It was very special!

This Tuesday evening, our PTA's are sponsoring a Parent University at the MS/HS complex. All district administrators will be participating. Information was emailed out last week and will be resent again tomorrow. It will be a very informative evening. Lastly, please join us for our annual Fall Festival, on Saturday, October 28, from 12:00-3:00pm, at Seaman. It is always a wonderful, wonderful day! For those that are new to our school, this is one of our biggest events of the year.

Looking forward to seeing everyone on Saturday (and this Tuesday evening as well).

Please check out the Tweets that were shared this past week by clicking the link below.

Have a great night,
Ivy
