

Hi Seaman Families,

Happy Fall Festival eve! We hope to see everyone tomorrow at one of our biggest events of the year.

We had the Department of Environmental Conservation here on Tuesday to do science workshops with students in grades one and five. They will present to each grade level throughout the year.

After school on Monday, we will participate in Rangoli to acknowledge Diwali. This is our third year participating in this creative activity and the event gets larger every year. We hope everyone can meet us in the kindergarten playground after school. Tuesday evening at 7:00pm, the district's joint council of PTA's will be hosting a Parent EdCamp. Please join us at Jericho High School and add a topic of your interest to the discussion board. This is an evening that will be driven by your requests.

Our fifth graders will be heading to Broadway on Wednesday to see Aladdin with the fifth graders from Cantiague and Jackson. It should be an awesome day. Finally, we look forward to seeing everyone at the Costume Spooktacular on Thursday at 2:15. Once again, if you are taking your child home from the costume parade, please shoot me an email ASAP.

Click the link below to see our Tweets from this past week.

Have a great weekend – see you tomorrow!

Ivy
