

Dear Seaman Families,

Yesterday's Rangoli experience, in recognition of Diwali, was a huge success. We had many more children attend with their families than last year and a great time was had by all. Our staff and students truly got caught up in creating beautiful chalk art. A big thank you to Mrs. Singh and the other families who have spear-headed this event the last two years. Today, our fifth graders participated in a virtual and augmented reality experience on board the zSpace mobile unit. If you have a fifth grader, please ask them about it. It was awesome!

We do have a PTA meeting next week – Wednesday at 10:00am. We look forward to seeing everyone there. Tuesday begins our Thanksgiving Food Drive (ends on Friday). Our fourth and fifth grade students will be packing bags of groceries on Friday, which will be delivered to the Hicksville Food Pantry. This is such a great lesson for our students. There is nothing more important than teaching your child to be kind, empathetic, and generous.

Please click the link below to view our Tweets from last week.

Enjoy the three day weekend – see everyone on Tuesday!

Ivy
