

Dear Seaman Families,

Thank you to those who made it to our Curriculum Fair last night. Most of the children had the opportunity to complete their projects today in school. Hopefully, they can replicate those projects with you at home. I have to give a shout out to our fifth grade peer leaders who did an amazing job presenting to the Board of Education and the audience last night. Congratulations to Niko, Gianna, Mahdi, Lily, Julianna, and Chloe. They led the audience in our Start with Hello dance and song, the Start with Hello pledge, and the presentation of our yearly video. The video that we debuted last night will be put on our website for you to view - www.jerichoschools.org/seaman. Curriculum Fairs are attached to Board of Education Meetings, which was why it could not be postponed. We certainly never imagined the amount of snow we had last night, prior to Thanksgiving.

Today our fourth and fifth grade students packed up the donated goods for the Hicksville Pantry for those in need. This is one of my favorite activities of the year. Thank you all for your donations. You certainly made a difference in the lives of some Long Island families in need.

We are looking forward to our First Grade Thanksgiving Feast on Monday and our Fourth Grade Open House on Wednesday. Please click the link below to view our Tweets from this past week.

Enjoy the weekend,

Ivy
