

Good evening Seaman Families,

Hope you had a wonderful holiday filled with fun and family. Although last week was a short one, it also brought lots of memories. Our fourth and fifth grade students began the week by packing bags of food for those in need (thanks to your generous donations). In addition, our fourth graders held their Open House this past week. The math games that were played are a great way to reinforce math facts and concepts at home.

Many grades had Thanksgiving celebrations to help focus in on the things we are thankful for. There was certainly no shortage of love being passed around. At this time, our fourth and fifth grade students are busy preparing for our Winter Concert and our teachers are getting ready for Parent-Teacher Conferences which will be held on December 7th and 8th.

As always, thank you for your partnership in making our school an exceptional place of learning. Please click the link below to view the Tweets that were shared last week.

See everyone tomorrow,

Ivy
