

Good evening Seaman Families,

Hope you had an enjoyable weekend. Last week brought our Costume Spooktacular Parade. The students had a great time and it was so nice to see so many of you join us, and many in costume. The PTA Halloween Candy Collection will continue through Tuesday. If you have any left over Halloween candy that you would like to donate to our troops, please drop it off in the collection bin in the main lobby of our school.

This past week, we also had the pleasure of the 8th grade "It's Showtime!" students from the Middle School come over and act out a few fairytales for our 2nd graders. Our students had the opportunity to perform with the older students on stage. It was a very sweet collaboration.

Cultural Arts got off to a great start. If you are interested in placing your child in a Cultural Arts after school club, please contact Mrs. Verone.

Our next PTA Meeting will take place this Wednesday morning. Mrs. Nancy Lin will be our guest speaker on Growth Mindset. More information will be forthcoming. Please click the link below to see the Tweets that were shared last week.

Enjoy the remainder of the evening,
Ivy
