

Dear Seaman Families,

Last week began with our Holiday Boutique. Students shopped for friends and family members in the convenience of our school library. Thank you to our PTA for providing this opportunity for our children. Last week was also the International Week of Code. Under the supervision of our STEM specialist, Ms. O'Neill, all of our students coded robots using materials that were grade-appropriate. We have a very large and varied collection of robots so that coding experiences become more complex as students move up the grades. Lastly, the week ended with Parent-Teacher Conferences. Thank you for joining us to discuss your child's progress. If you did not have the opportunity to meet with your child's teacher last week to discuss their report card, please do not hesitate to send an email to your child's teacher to reschedule. If you need assistance, do not hesitate to reply to this email.

Click the link below to see Tweets that were shared this past week.

Enjoy the remainder of the evening,

Ivy
