

A major focus of the last week of 2017 was spent commemorating the holiday season. The 4th and 5th Grade Winter Concert was spectacular! Our students shined (as always). The Kindergarten Holiday Performance was as adorable as you could possibly imagine. Our theme days were sweet and were a nice way to lead us into the holiday recess. If you are reading this email, I hope you are in a cozy place with family and friends.

Wishing you love, health, and happiness in the new year. We are grateful for your children. Thank you for entrusting them to us.

Enjoy our end of the year Tweets by clicking the link below.

XO

Ivy
