

Good afternoon Seaman Families,

It is incredible that tomorrow is December 1st. The school year is flying. This past week our fifth graders went with the fifth graders from Cantiague and Jackson to see *School of Rock* in NYC. The kids were awesome, the show was adorable, and a good time was had by all. We have been practicing safety drills, and did a lockdown drill this week. The students are doing a great job. We know it is unfortunate but necessary.

Please be reminded that now that the weather is colder, many students are coming to school wearing boots. The only problem is if they have physical education, many are forgetting to bring sneakers. In addition, as long as the weather is not too windy and above 36 or 37 degrees, we are giving the children the option of going outside to play during recess. They need to be dressed warm enough. We are not letting students outside who are not appropriately dressed for the weather.

Report cards will be available to you, online, on Tuesday. You will receive an email. The PTA Holiday Boutique will take place on Tuesday and Wednesday – please come shop with your child. The schedule has been sent out but will be sent out again. Lastly, Parent-Teacher Conferences will also take place next week. There is **no school for students on Friday.**

Please click the link below to see our Tweets from this past week.

Have a great weekend,

Ivy
