

Dear Seaman Families,

I hope you are enjoying the time off with your children. Last week brought exploration for our first graders in the Star Lab, and for our fourth graders in their journey of Native American culture and traditions. We celebrated the Lunar New Year and Valentine's Day. Our physical education program is in the middle of their dance unit and our robots are in full force in the STEM Lab.

Everyone should have received information regarding our Multicultural Fair on March 21st. We expect all students to contribute projects. We have streamlined the projects in order to add other components to the evening. We are truly looking forward to our students' performances as well the delicious foods we will share at our Pot Luck Dinner.

Just a reminder - if you know anyone who has a child eligible for kindergarten in September, please have them contact Mary in the main office.

Click the link below to view some of our Tweets from last week.

Enjoy,

Ivy
