

Good evening Seaman families,

We are looking forward to our Multicultural Fair this Wednesday evening. It is definitely one of the highlights of our school year. All students' projects are due tomorrow. We enjoy sharing a meal together, viewing our children's projects to learn who we are and where we come from, and this year, enjoying student performances reflective of our diverse community. The Fair takes place from 6:00-7:30pm.

We thank everyone for joining us for Parent-Teacher Conferences last week. As always, never hesitate to contact your child's teacher if you have any questions or concerns. Wednesday evening, the PTA hosted the district-wide SEPTA meeting. Mrs. Salzberg along with some of our students presented a very thorough lens into the elementary research program. It was incredibly informative and our students did a great job of sharing their research projects and experiences.

Spring recess begins on March 29th and we return to school on April 9th. New York State ELA and math testing begins shortly thereafter. Some basic information has already been emailed to the parents of students in grades 3, 4, and 5. If you have any questions, please don't hesitate to contact me.

Click the link below to view some of the Tweets from last week.

Have a great night,

Ivy
