

Dear Seaman Families,

The ABC Countdown has begun so we know the end of the school year is close. Last week was incredibly busy but in wonderful ways. Our fifth graders are probably the busiest kids I know. They had the opportunity to spend some time with author Adam Gidwitz at the Jericho Public Library, visited the Middle School for a chance to see what MS life is like, saw the show Diary of Anne Frank at the Broadhollow Theater in Islip, to culminate a unit on tolerance and the effects of the Holocaust, and held their annual Heritage Luncheon and Museum. On the other end of our Seaman world, our incoming kindergarteners spent some time in the kindergarten classrooms with Mrs. Freitag and Ms. Marcucci.

Our third graders culminated the week with a visit from the Golden Tones of TOBAY (a senior citizens singing group). Our students and the seniors took turns singing to each other and together. They spent some time getting to know each other over breakfast and snacks. It was an amazing experience for our students and the seniors were elated.

We have successfully completed all of the mandated safety drills for the school year and I can assure you, our children and staff know how to react to multiple types of emergency situations. Don't hesitate to contact me, if you have any questions or concerns.

Today, our incoming kindergarteners will spend some more time getting to know each other at our annual playdate at MATSS in Syosset.

Remember, there is no school on Friday or next Monday, due to the Memorial Day weekend. Please click the link below to view the Tweets from last week (please let me know, if the link does not work).

Happy almost summer,

Ivy
