

Dear Students and Parents/Guardians,

I hope you are having a fun and relaxing summer! An extraordinary school year is just around the corner! I'm so excited to be your third grade teachers! This year will be a rewarding and successful year for all of us. I am looking forward to working with each of you this year!

Third grade is full of exciting field trips, activities, and new discoveries. Students will grow as readers, writers, and mathematicians. We will be learning all about the United States, Brazil, and China in our social studies units.

Parents and students are invited to drop off school supplies on Monday, August 29th from 9:30 to 10:00 AM. I am looking forward to a wonderful school year!

Sincerely,
Mrs. Douglas
