

Welcome to CAMERSONS' COVE

We are thrilled that you will be in our class this year! We LOVE fourth grade! We think it is the BEST grade EVER!

Fourth grade is a year filled with fun-filled projects and exploration. We will be conducting hands-on science experiments, learning about the history of New York State, exploring mathematics through manipulatives, and enjoying various types of literature. We LOVE using technology as much as we can! You can follow our classroom on twitter at @camersons. We love to share all the amazing things happening in our room! Be sure to check out our Weebly at <http://seaman4thgrade.weebly.com/> for fun and educational resources.

We believe our classroom is a family and it is very important to always work **together** and treat each other with **respect, kindness, and compassion!** We are so excited to begin an AMAZING kindness project upon your arrival!

We look forward to an AWESOME year!!! Together, we are going to make your fourth grade experience a SUCCESS! Enjoy the rest of the summer with friends and family. We can't wait to meet you soon!

Enthusiastically,

Mrs. Camilleri & Ms. Garrison
