

# Welcome to Team Vernon

I am so excited you will be in my class this year! I LOVE fourth grade! I think it is the BEST grade EVER!

Fourth grade is a year filled with fun projects and exploration. We will be conducting hands-on science experiments, learning about the history of New York State, exploring mathematics through manipulatives, and enjoying various types of literature. I LOVE using technology as much as possible! You can follow our classroom on twitter at @teamvernon1. I look forward to sharing all the amazing things happening in our room!

I believe our classroom is a team and it is very important to always work **together** and treat each other with **respect, kindness, and compassion!** I am so excited to begin an AMAZING kindness project upon your arrival!

I look forward to an AWESOME year!!! Together, we are going to make your fourth grade experience a SUCCESS! Enjoy the rest of the summer with friends and family. I can't wait to meet you soon!

Enthusiastically,

Mrs. Vernon
